The Court having considered the interim relief requested in the Motion, the exhibits attached thereto, the *Declaration of Jeff Seery in Support of Chapter 11 Petitions and First Day Relief* (the "***First Day Declaration***"), the *Declaration of Michael Sellinger in Support of the Debtors' Motion to Obtain Postpetition Financing* (the "***DIP Declaration***"), the DIP Documents, and the evidence submitted and arguments made at the interim hearing held on July 15, 2025 (the "***Interim Hearing***"); and due and sufficient notice of the Interim Hearing having been given in accordance with Bankruptcy Rules 2002 and 4001(b), (c), and (d) and all applicable Local Rules; and the Interim Hearing having been held and concluded; and all objections to the interim relief requested in the Motion having been withdrawn, resolved, or overruled by the Court; and it appearing that the interim relief requested in the Motion is fair and reasonable and in the best interests of the Debtors and their estates, necessary to avoid immediate and irreparable harm to the Debtors and their estates, and essential for the continued operation of the Debtors' businesses and the preservation of the value of the Debtors' assets; and it appearing that the Debtors' entry into

F. **Debtors' Stipulations.** Without prejudice to the rights of any party in interest, as set forth in paragraph 30 of this Interim Order, and subject to the limitations therein, and in exchange for and as a material inducement to the Prepetition Secured Parties (as defined below) to agree to consent to access to cash collateral, and subordination of the Prepetition Liens (as defined below) to the Carve-Out (as defined below) and DIP Liens (as defined below), the Debtors acknowledge, admit, stipulate, and agree that:

(i) **Prepetition Secured Facility.**

(a) **Prepetition Credit Agreement.** As of the Petition Date, pursuant to and in accordance with the *Credit Agreement* dated as of September 3, 2021 (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “**Prepetition Credit Agreement**”, and, together with all security, pledge and guaranty agreements and all other documents and instruments executed at any time in connection therewith, the “**Prepetition Credit Documents**”), between the Borrower, the “Guarantors” (as defined in the Prepetition Credit Agreement and together with the Borrower, and as set forth on Schedule 1 hereto, the “**Prepetition Loan Parties**”), the lenders party thereto from time to time (the “**Prepetition Lenders**”), and Alter Domus (US) LLC, as administrative agent and collateral agent (in such capacities, the “**Prepetition Agent**” and, together with the Prepetition Lenders, the “**Prepetition Secured Parties**”), the Prepetition Lenders provided the Term Loans (as defined in the Prepetition Credit Agreement) to the Prepetition Obligors (the “**Prepetition Secured Facility**”).

(b) **Prepetition Secured Obligations.** As of the Petition Date, the Prepetition Loan Parties and the “Licensed Operator Guarantor Equity Pledgors” (as defined in the Prepetition Credit Agreement, and as set forth on Schedule 2 hereto, the “**Prepetition Equity Pledgors**” and, together with the Prepetition Loan Parties, the “**Prepetition Obligors**”) were justly and lawfully liable and indebted to the Prepetition Secured Parties, without defense, challenge, objection, claim, counterclaim, or offset of any kind, in the aggregate principal amount of not less than \$305,854,469, which consists of not less than, (i) approximately \$77,000,000 in outstanding principal amount of First Out Term Loans (as defined in the Prepetition Credit Agreement) under

the Prepetition Credit Agreement (the “**Prepetition First Out Obligations**”), (ii) approximately \$214,726,510 in outstanding principal amount of Second Out Term Loans (as defined in the Prepetition Credit Agreement) under the Prepetition Credit Agreement (the “**Prepetition Second Out Obligations**”), (iii) approximately \$202,257 in outstanding principal amount of Third Out Term Loans (as defined in the Prepetition Credit Agreement) under the Prepetition Credit Agreement (the “**Prepetition Third Out Obligations**”), (iv) approximately \$13,925,702 in outstanding principal amount of Fourth Out Term Loans (as defined in the Prepetition Credit Agreement) under the Prepetition Credit Agreement (the “**Prepetition Fourth Out Obligations**”) and together with the Prepetition First Out Obligations, the Prepetition Second Out Obligations, and the Prepetition Third Out Obligations, the “**Prepetition Term Loan Obligations**”), *plus*, in each case, any other amounts due and payable under the Prepetition Credit Agreement, including accrued and unpaid interest thereon, premiums, reimbursement obligations, fees, costs, expenses and disbursements, indemnification obligations, guarantee obligations, and other claims under the Prepetition Credit Agreement (collectively, with the Prepetition Term Loan Obligations, the “**Prepetition Secured Obligations**”).

(c) **Prepetition Liens.** As more fully set forth in the Prepetition Credit Documents, before the Petition Date, to secure the Prepetition Secured Obligations, (i) the Prepetition Loan Parties granted to the Prepetition Agent, for the benefit of the Prepetition Secured Parties, valid, binding, properly perfected, and enforceable first priority continuing liens on and security interests in substantially all of their assets and property (collectively, the “**Prepetition Loan Parties Secured Liens**”), including a first-priority security interest in all of their right, title, and interest in, to, and under all of the “Collateral” as defined in the Prepetition Credit Agreement, and all proceeds, products thereof, and accessions thereto, in each case whether then owned or owing to or thereafter acquired or arising (the “**Prepetition Loan Parties Secured Collateral**”) and (ii) the Prepetition Equity Pledgors pledged to the Prepetition Agent, for the benefit of the Prepetition Secured Parties, valid, binding, properly perfected, and enforceable first priority continuing liens on and security interests in all of their right, title, and interest in, to, and under all of the “Pledged Collateral” (as defined in the *Equity Pledge Agreement*, dated as of September 3, 2021 (as may be amended supplemented, or otherwise modified from time to time in accordance with the terms hereof and thereof), collectively, the “**Regulated Equity**” and such liens and security interests, together with the Prepetition Loan Parties Secured Liens, the “**Prepetition Liens**”), and all proceeds, products thereof, and accessions thereto, in each case whether then owned and owing to or thereafter acquired or arising, in each case in clauses (i) and (ii), other than “Excluded Property” (as defined in the Security Agreement (as defined in the Prepetition Credit Agreement)) (together with the Prepetition Loan Parties Secured Collateral, the “**Prepetition Collateral**”).

(ii) **Validity, Perfection, and Priority of Prepetition Liens and Prepetition Secured Obligations.** (a) The Prepetition Liens are valid, binding, enforceable, non-avoidable, and perfected liens, with priority over any and all other liens, other than liens expressly permitted to be senior to such Prepetition Liens under the Prepetition Credit Documents, and only to the extent such permitted liens were existing, valid, enforceable, properly perfected, and non-

avoidable as of the Petition Date or perfected after the Petition Date as permitted by 546(b) of the Bankruptcy Code (collectively, the “*Permitted Prior Liens*”); (b) the Prepetition Secured Obligations constitute legal, valid, binding, and non-avoidable obligations of the Prepetition Secured Parties, enforceable in accordance with the terms of the Prepetition Credit Documents, and the Prepetition Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code; (c) no portion of the Prepetition Liens, the Prepetition Secured Obligations, or any payments made to any Prepetition Secured Party or applied or paid on account of the Prepetition Secured Obligations before or after the Petition Date is subject to any contest, set-off, avoidance, impairment, disallowance, recharacterization, reduction, subordination (whether equitable, contractual, or otherwise), recoupment, recovery, rejection, attack, effect, counterclaims, cross-claims, defenses, or any other challenge or claim (as defined in the Bankruptcy Code) of any kind, any cause of action or any other challenge of any nature under or pursuant to the Bankruptcy Code or any other applicable domestic or foreign law or regulation or otherwise by any person or entity; (d) the Debtors and their estates hold no claims, counterclaims, defenses, setoff rights, or causes of action, including Avoidance Actions (as defined below), of any kind against any of the Prepetition Secured Parties or any of their respective Representatives (as defined below), whether with respect to the Prepetition Secured Obligations and the Prepetition Liens or otherwise; and (e) subject to paragraph 30 of this Interim Order, the Debtors have, on behalf of each of their estates and any party that may try to claim by, through, or on behalf of the Debtors or their estates, disclaimed, waived, discharged and released any right they may have to: (A) challenge the validity, enforceability, priority, security, and perfection of any of the Prepetition Secured Obligations, the Prepetition Credit Documents, or the Prepetition Liens, respectively; and (B) assert any and all claims (as defined in the Bankruptcy Code) or causes

of action against any of the Prepetition Secured Parties, and each of their respective officers, directors, equity holders, members, partners, subsidiaries, affiliates, funds, managers, managing members, employees, advisors, principals, attorneys, professionals, accountants, investment bankers, consultants, agents, and other representatives (in each case, in their respective capacities as such), whether arising at law or in equity, including any recharacterization, subordination, avoidance, or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or applicable state or federal law, in each case, arising out of, based upon or related to the Prepetition Credit Documents, the Prepetition Liens or the Prepetition Secured Obligations, as applicable. The Prepetition Liens were granted to or for the benefit of the Prepetition Secured Parties for fair consideration and reasonably equivalent value, and were granted contemporaneously with, or covenanted to be provided as inducement for, the making of the loans or the commitments and other financial accommodations secured thereby, or for other accommodations provided by the Prepetition Secured Parties.

(iii) **No Control.** None of the Prepetition Secured Parties or DIP Secured Parties control, or have controlled, any of the Debtors or their properties or operations, have authority to determine the way any Debtors' operations are conducted, or are control persons or insiders of the Debtors or any of their affiliates.

(iv) **No Claims or Causes of Action.** No claims or causes of action held by the Debtors or their estates exist against, or with respect to, the Prepetition Secured Parties or any of their respective Representatives (in each case, in their capacity as such) under or relating to any agreements by and among the Debtors and any Prepetition Secured Party as of the Petition Date. The Debtors have waived, discharged, and released any right to challenge any of the Prepetition

Secured Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the Prepetition Liens.

(v) **Cash Collateral.** All the Debtors' cash, whether existing as of the Petition Date or thereafter, wherever located (including all cash on deposit or maintained by the Debtors in any account or accounts but subject to paragraph 29), any amounts generated by the sale or other disposition of Prepetition Collateral, and all income, proceeds, products, rents or profits of any Prepetition Collateral, constitutes or will constitute "cash collateral" of the Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the "***Cash Collateral***").

(vi) **Indemnification.** The Prepetition Secured Parties and DIP Secured Parties have acted in good faith, and without negligence or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining the approval of the DIP Facility and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens (as defined below), any challenges or objections to the DIP Facility or the use of Cash Collateral, and all documents related to any and all transactions contemplated by the foregoing, including the DIP Documents. Accordingly, subject only to paragraph 30, the Prepetition Secured Parties and DIP Secured Parties are entitled to indemnification as provided and to the extent set forth under the DIP Documents; *provided*, that no such Indemnified Parties (as defined in the DIP Documents) will be indemnified for any cost, expense, or liability to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted primarily from such parties' gross negligence or willful misconduct.

(vii) **Debtors' Release.** Effective upon entry of this Interim Order (and subject to paragraph 30), the Debtors, on behalf of themselves and their respective estates (including any

successor trustee or other estate representative in these Chapter 11 Cases and any party acting by, through, or under any of the Debtors or their estates), hereby absolutely, irrevocably, and unconditionally release, waive, and forever discharge and acquit the DIP Secured Parties, the Prepetition Secured Parties, their respective participants and affiliates, and their former or current officers, partners, directors, managers, members, principals, employees, agents, related funds, affiliates, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals and the respective successors and assigns thereof, in each case solely in their capacities as such (collectively, the “***Released Parties***”), from any and all claims, demands, offsets, defenses, counterclaims, set off rights, objections, challenges, causes of action, liabilities, losses, damages, responsibilities, disputes, remedies, actions, suits, controversies, indebtedness, reimbursement obligations (including, attorneys’ fees), costs, expenses, or judgments of every type, whether known or unknown, asserted or unasserted, suspected or unsuspected, accrued or unaccrued, fixed or contingent, or pending or threatened, of any kind or nature whatsoever, whether arising under common law, statute, or regulation or by contract or in equity (including any so-called “lender liability” or equitable subordination claims or defenses, recharacterization, subordination, avoidance, any claim or cause of action arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state or federal law, or any other claim or cause of action arising under the Bankruptcy Code or applicable non-bankruptcy law), in each case, arising under, in connection with, or related to the extent, amount, validity, enforceability, priority, security, perfection, and avoidability of the DIP Facility, the DIP Obligations, the DIP Liens, the DIP Documents, the Prepetition Secured Facilities, the Prepetition Secured Obligations, the Prepetition Liens, and the Prepetition Credit Documents, and the obligations owing and the financial obligations made

thereunder, the negotiation thereof and of the deal reflected thereby, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause, or thing whatsoever arising at any time on or before the date of this Interim Order, except to the extent such claim, damage, loss, liability, or expense is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Released Party's actual fraud, gross negligence or willful misconduct. The foregoing release shall not constitute a release of any rights or obligations under this Interim Order or under the DIP Documents.

**G. Findings Regarding Postpetition Financing and Use of Cash Collateral.**

(i) **Good Cause.** Good and sufficient cause has been shown for the entry of this Interim Order and for authorization of the Debtors to obtain financing under the DIP Facility. The execution and delivery of the DIP Documents and the implementation of the DIP Facility are in the best interests of the Debtors and their estates.

(ii) **Priming of the Prepetition Liens.** The priming of the Prepetition Liens under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Documents and as provided herein and on **Exhibit 2** hereto, will enable the Debtors to obtain the DIP Facility and to continue to operate their business during the pendency of the Chapter 11 Cases, to the benefit of their estates and creditors. The Prepetition Secured Parties are entitled to receive adequate protection against any aggregate postpetition diminution in value of the Prepetition Secured Parties' respective liens and interests in the Prepetition Collateral (including Cash Collateral) for any reason allowed under the Bankruptcy Code, including diminution in value resulting from (a) the depreciation, sale, lease, or use by the Debtors (or other decline in value) of such collateral (including Cash Collateral), (b) the imposition of the automatic stay, (c) the subordination of the

Prepetition Liens and the Prepetition Secured Obligations to the Carve-Out, the DIP Liens, and the DIP Obligations, and (d) the payment of any amounts under the Carve-Out (collectively, the “*Diminution in Value*”), in each case, as set forth in this Interim Order pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code.

(iii) **Immediate Need for Postpetition Financing and Use of Cash Collateral.**

The Debtors have an immediate and a critical need for the DIP Facility and to continue to use the Collateral, including Cash Collateral, to, among other things, (a) permit the orderly continuation of the operation of their businesses, (b) maintain business relationships with customers, employees, vendors, and suppliers, (c) satisfy other working capital and operational needs, (d) pay professional fees, expenses, and obligations benefitting from the Carve-Out to the extent provided herein, and (e) pay costs, fees, and expenses associated with or payable under the DIP Documents and this Interim Order. The access by the Debtors to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents, and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Debtors. The Debtors’ use of Cash Collateral alone would be insufficient to meet the Debtors’ cash disbursement needs during the period of effectiveness of this Interim Order. The terms of the proposed DIP Facility pursuant to the DIP Documents and this Interim Order are fair and reasonable, reflect each Debtors’ exercise of sound business judgment, and are supported by reasonably equivalent value and fair consideration.

(iv) **No Credit Available on More Favorable Terms.** The DIP Facility is the best source of debtor-in-possession financing available to the Debtors under the circumstances. Given their current financial condition, the Debtors have been and continue to be unable to obtain

financing and other financial accommodations from sources other than the DIP Lenders on terms more favorable than those provided under the DIP Facility and the DIP Documents. The Debtors are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain sufficient (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Adequate financing on a postpetition basis on better terms is not available without granting the DIP Agent, for the benefit of the DIP Secured Parties, (1) perfected priming security interests in and liens on (each as provided herein and in the DIP Documents) the DIP Collateral, with the priorities set forth herein; (2) superpriority claims; and (3) the other protections set forth in this Interim Order.

(v) **Adequate Protection.** The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363, 364, 507, and 552(b)(2) of the Bankruptcy Code, to adequate protection (“*Adequate Protection*”), as and to the extent set forth in this Interim Order, of their interest in all Prepetition Collateral, including Cash Collateral, on account of the Diminution in Value of the Prepetition Secured Parties’ interests in the Prepetition Collateral (including Cash Collateral). Based on the Motion, the First Day Declaration, the DIP Declaration, and the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtors’ prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral.

(vi) **Limited Consent.** The requisite DIP Secured Parties and the requisite Prepetition Lenders have consented to the Debtors' use of Prepetition Collateral (including Cash Collateral), and the Debtors' entry into the DIP Documents and the priming liens granted to the DIP Secured Parties, in each case, in accordance with the Approved Budget (subject to Permitted Variances) and subject to the terms and conditions in this Interim Order and the DIP Documents.

(vii) **Good Faith Pursuant to Section 364(e).** The DIP Facility and the use of Prepetition Collateral (including Cash Collateral) were negotiated in good faith and at arm's-length among the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, and their respective advisors. The Debtors' continued use of Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses (including the incurrence and payment of any adequate protection obligations and the granting of adequate protection liens), in accordance with the terms hereof, and the credit to have been extended by the DIP Secured Parties under the DIP Facility shall be deemed to have been so allowed, advanced, made, used and extended in good faith, and for valid business purposes and uses, within the meaning of section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code. The DIP Secured Parties and the Prepetition Secured Parties (and their successors and assigns) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code if this Interim Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise.

(viii) **Relief Essential; Necessity of Immediate Entry.** The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Rules and good cause has been shown for the immediate entry of this Interim Order. For the reasons set forth in the Motion, the First Day Declaration, the DIP

Declaration, and the record presented to the Court at the Interim Hearing, absent granting the relief set forth in this Interim Order, the Debtors' estates would face significant business disruption resulting in immediate and irreparable harm. Consummation of the DIP Facility and the use of Prepetition Collateral (including Cash Collateral) in accordance with this Interim Order and the DIP Documents are therefore in the best interests of the Debtors, their estates, and their creditors.

(ix) **Interim Hearing.** Notice of the Interim Hearing and the relief requested in the Motion has been provided by the Debtors, whether by electronic mail, overnight courier, or hand delivery to certain parties in interest, including the Notice Parties (as defined below) and no other notice is required in connection with the relief set forth in this Interim Order. Based upon the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED THAT:**

1. **Interim Approval.** The relief requested in the Motion is authorized and approved, in each case, subject to the terms and conditions set forth in the DIP Documents and this Interim Order. All objections to the Motion with respect to the entry of this Interim Order that have not been withdrawn, waived, settled, or resolved are hereby denied and overruled.

2. **Authorization of the DIP Facility and the DIP Documents.**

(a) The Debtors are hereby authorized without the need for any further corporate action to execute, enter into, and perform all obligations under the DIP Documents, to borrow (as applicable), incur, guarantee, perform and pay the DIP Obligations, to grant security for the payment and performance of the DIP Obligations, and to take any other and further acts related to the performance of the DIP Documents. The DIP Documents and this Interim Order shall govern the financial and credit accommodations to be provided to the Debtors by the DIP Lenders in

connection with the DIP Facility. The DIP Facility shall be used for all purposes permitted under the DIP Documents and this Interim Order, including to (i) provide working capital and pay for other general corporate purposes of the Debtors, (ii) pay administration costs of the Chapter 11 Cases and claims or amounts approved by the Bankruptcy Court, and (iii) consummate the Interim Roll-Up, in each case in accordance with the Approved Budget (subject to Permitted Variances), this Interim Order, and the DIP Documents.

(b) Subject to the terms and conditions of this Interim Order, the DIP Agent is hereby authorized to execute, enter into, and perform all rights and duties of the DIP Agent under the DIP Documents.

(c) Upon execution and delivery of the DIP Documents, each of the DIP Documents shall constitute valid, binding, and non-avoidable obligations of the Debtors, fully enforceable against the Debtors, their estates, and any successors thereto, including any trustee or other estate representative appointed in the Chapter 11 Cases or any case under chapter 7 of the Bankruptcy Code upon the conversion of these Chapter 11 Cases or in any other proceedings superseding or relating to any of the foregoing and upon the dismissal of any of these Chapter 11 Cases or any such successor cases (each, a “**Successor Case**” and collectively, the “**Successor Cases**”), in accordance with the terms of the DIP Documents and this Interim Order. For the avoidance of doubt, the DIP Term Sheet shall constitute valid, binding, and non-avoidable obligations of the Debtors pursuant to this paragraph upon the entry of this Interim Order and the funding of the New Money Term Loans thereunder by the Fronting Lender. No obligation, payment, transfer, or grant of security under the DIP Documents or this Interim Order to the DIP Secured Parties, or any of their respective representatives shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, 547, and 548

through 550 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transactions Act, or other similar state statute or common law), or subject to any defense, reduction, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim, or counterclaim.

(d) No DIP Secured Party shall have any obligation or responsibility to monitor the Debtors' use of the DIP Loans, and each DIP Secured Party may rely upon the Debtors' representations as to whether the amount of DIP Loans requested at any time and the use thereof are in accordance with the requirements of this Interim Order, the DIP Documents, and Bankruptcy Rule 4001(c)(2).

3. **Authorization of the DIP Fees.** The Debtors are authorized to use the proceeds of the DIP Facility to pay in accordance with the DIP Documents the fees, interest, costs, expenses due or payable under the DIP Documents, including commitment fees, upfront fees, exit fees, backstop fees, or premiums, agency fees, professional fees and expenses (including legal fees and expenses of the DIP Lenders, the DIP Agent, and the Fronting Lender) and any other fees pursuant to the DIP Documents (the "*DIP Fees and Expenses*").

4. **Approval of Interim Roll-Up.**

(a) Upon entry of this Interim Order, the Debtors shall be deemed, automatically, and without any further action, to substitute and exchange a portion of the outstanding Prepetition First Out Obligations and aggregate amount of accrued but unpaid interest with respect to such portion held by DIP Lenders for term loans under the DIP Documents on a cashless basis in accordance with the Interim Roll-Up and subject to the terms and conditions set forth in the DIP Documents. Such portion of the Prepetition First Out Obligations and accrued but unpaid interest thereon shall be deemed substituted and exchanged under this paragraph 4 and deemed indefeasibly prepaid

(subject only to paragraph 4(b) below), and the term loans under the DIP Documents substituted thereby shall be deemed exchanged therefor by each DIP Lender. The cashless substitution and exchange of Prepetition First Out Obligations and accrued but unpaid interest thereon by “rolling up” such amounts into DIP Obligations as described in this paragraph 4 shall be authorized as compensation for, in consideration for, as a necessary inducement for, and on account of the agreement of the DIP Lenders to fund the DIP Loans and not as adequate protection for, or otherwise on account of, the Prepetition Secured Facility.

(b) Notwithstanding the foregoing paragraph 4(a), if it is determined by a final, non-appealable order that the Roll-Up resulted in the payment of a portion of Prepetition Secured Obligations that are subject to a successful Challenge (including any successful Challenge relating to the Prepetition Secured Obligations themselves or the Prepetition Liens purportedly securing such Prepetition Secured Obligations), then this Court may unwind or otherwise recharacterize the Roll-Up solely with respect to such portion of Prepetition Secured Obligations or fashion any other remedy it deems appropriate, in each case as determined by final order of this Court. All defenses to any efforts to unwind or otherwise recharacterize the Roll-Up are expressly reserved.

**5. Authorization to Use Cash Collateral; Budget Covenants.**

(a) The Debtors are authorized to use Cash Collateral solely in accordance with the Approved Budget and subject to the terms and conditions of the DIP Documents and this Interim Order subject to Permitted Variances; *provided* that the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth. The Prepetition Liens on the Prepetition Collateral shall continue to attach to the Cash Collateral irrespective of the commingling of the Cash Collateral with other cash of the Debtors (if any). Any failure by the Debtors on or after the Petition Date to comply with the segregation requirements of section 363(c)(4) of the Bankruptcy Code in

respect of any Cash Collateral shall not be used as a basis to challenge the Prepetition Secured Obligations, or the extent, validity, enforceability, or perfected status of the Prepetition Liens. The Debtors' authorization to use Cash Collateral shall end on the Termination Declaration Date in accordance with paragraph 12.

(b) The Debtors have prepared and delivered to the DIP Secured Parties an initial 13-week budget (the “**Initial DIP Budget**”), a copy of which is attached hereto as **Exhibit 3**. The Initial DIP Budget reflects the Debtors' minimum cash required to be maintained under applicable gaming law, anticipated cash receipts, operating disbursements, operating cash flow, non-operating disbursements (including restructuring fees and debt servicing), and net cash flow for such 13-week period. The Initial DIP Budget may be modified, amended, and updated from time to time in accordance with the DIP Documents and once approved in accordance therewith shall supplement and replace the Initial DIP Budget (each replacement being a “**Subsequent Budget**” and together with the Initial Budget, without duplication, an “**Approved Budget**”). The Debtors believe that the Initial DIP Budget is reasonable under the facts and circumstances known to them, taken as a whole, as of the Petition Date. The proceeds of the DIP Facility and the Cash Collateral shall be used solely in accordance with the Approved Budget (subject to Permitted Variances). The DIP Secured Parties and the Prepetition Secured Parties are relying, in part, upon the Debtors' agreement to comply with limits on cash expenditures in the Approved Budget (subject to Permitted Variances), the other DIP Documents, and this Interim Order in determining to enter the DIP Facility provided for in this Interim Order.

(c) The Debtors shall only use proceeds of the DIP Facility and expend Cash Collateral and other DIP Collateral proceeds in accordance with the Approved Budget (and in the case of the costs and expenses of the DIP Agent and Prepetition Agent, in accordance with the DIP Documents

and this Interim Order without being limited by the Approved Budget), subject to the following permitted variances (“*Permitted Variances*”) and affirmative covenants, which shall be tested initially on the first Friday after conclusion of the second full week after the Petition Date (the “*First Testing Date*”) and testing the period from the Petition Date through and including, July 27, 2025 (the “*First Testing Period*”) and continuing on each Friday thereafter (the date of each such test, a “*Subsequent Testing Date*”) and testing the period that is the shorter of (i) the period between the Petition Date and the Friday immediately preceding the Subsequent Testing Date and (ii) the four-week period immediately preceding the Friday immediately preceding the Subsequent Testing Date (such period, the “*Subsequent Testing Period*”): (x) for the First Testing Period and each Subsequent Testing Period, the aggregate total operating, non-operating, and restructuring disbursements of the Debtors (calculated in the same manner as the sum of the “Total Disbursements” in the Approved Budget, including fees and expenses of the Debtors’ professionals but excluding the fees and expenses of the DIP Secured Parties’ professionals) shall not exceed 115% of the aggregate total budgeted amount of operating, non-operating and restructuring disbursements for such First Testing Period and Subsequent Testing Period, as set forth in the Approved Budget, (y) the sum of all actual cash receipts of the Debtors (calculated in the same manner as the “Total Receipts” in the Approved Budget were calculated) (A) for the First Testing Period shall not be less than 75% and (B) for each Subsequent Testing Period shall not be less than 85%, in either case of the sum of the Total Receipts for such testing period, as set forth in the Approved Budget; and (z) at any time, the Debtors shall not permit aggregate cash and cash equivalents of the Debtors (taking into account both restricted and unrestricted cash) to be less than \$16,000,000. The foregoing budget-related covenants are collectively referred to herein as the “*Budget Covenants*.”

6. **Carve-Out.** Subject to the terms and conditions contained in this paragraph 6, each of the DIP Liens and the Prepetition Liens shall be subject and subordinate to payment of the Carve-Out in accordance with the terms of this Interim Order.

(a) For purposes of this Interim Order, “***Carve-Out***” means (i) all unpaid fees required to be paid in these Chapter 11 Cases to the Clerk of the Court and to the Office of the United States Trustee under 28 U.S.C. § 1930(a)(6) plus interest pursuant to 31 U.S.C. § 3717 (without regard to the notice set forth in (iii) below); (ii) all reasonable and documented fees and expenses up to \$75,000 incurred by a trustee under section 726(b) of the Bankruptcy Code without regard to the notice as set forth in (iii) below; and (iii) subject to the terms and conditions of this Interim Order, to the extent allowed at any time, whether by interim order, procedural order, or otherwise, but subject to final allowance by the Court under sections 327, 328, 330, or 363 of the Bankruptcy Code, the reasonable and documented accrued and unpaid fees, costs, and disbursements (including any unpaid restructuring or sale fee of any investment bankers if earned and payable as of the Carve-Out Trigger Notice Date pursuant to the terms and conditions of an engagement letter approved by the Court in the Chapter 11 Cases) (the “***Allowed Professional Fees***”) of professionals retained by the Debtors in these Chapter 11 Cases (collectively, the “***Debtor Professionals***”) and the Creditors’ Committee (the “***Committee Professionals***” and, together with the Debtor Professionals, the “***Estate Professionals***”) that are incurred at any time before or on the first business day following delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined below) at the direction of the Required DIP Lenders, and are allowed by this Court and remain unpaid after application of any retainers being held by such professionals for each Estate Professional, up to the amounts for the Estate Professional included in the Approved Budget (subject to application of the Permitted Variance) through the date of the Carve-Out Trigger

Notice, plus any unpaid restructuring or sale fee of any investment bankers if earned and payable as of the Carve-Out Trigger Notice Date pursuant to the terms and conditions of an engagement letter approved by the Court and not otherwise already included in the Approved Budget (the amounts set forth in the foregoing clauses (i), (ii), and (iii), the “***Pre-Carve-Out Trigger Notice Cap***”); *provided* that the Pre-Carve-Out Trigger Notice Cap shall only include up to \$50,000 pursuant to the Investigation Expenses Budget Cap (as defined below); (iv) the Allowed Professional Fees of the Estate Professionals that are incurred after the first business day following delivery of a Carve-Out Trigger Notice by the DIP Agent, in an aggregate amount not to exceed \$250,000 (the amounts set forth in clause (iv), the “***Post-Carve-Out Trigger Notice Cap***” and together with the Pre-Carve-Out Trigger Notice Cap, the “***Carve-Out Cap***”). The term “***Carve-Out Trigger Notice***” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (at the direction of the Required DIP Lenders) to the Debtors, their lead counsel, the U.S. Trustee, and lead counsel to any Creditors’ Committee, which notice may be delivered at any time on or after the Termination Declaration Date (as defined below), expressly stating that the Post-Carve-Out Trigger Notice Cap is triggered. The term “***Carve-Out Trigger Notice Date***” shall mean the day on which a Carve-Out Trigger Notice is delivered by the DIP Agent to the foregoing parties.

(b) *Carve-Out Reserves.* The Debtors shall, on a weekly basis, transfer cash proceeds of the DIP Facility or Cash Collateral into a segregated account for the Estate Professionals (the “***Professional Fees Account***”) in the amount equal to the lesser of (i) the good faith estimates of fees accrued by all such professionals for the prior week and (ii) 115% of the weekly amount included for such professionals in the Approved Budget (subject to compliance with the Budget Covenants). If any professional’s accrued and unpaid fee estimates exceed the

amount allocated to such professional in the Professional Fees Account in a given week (an “***Overage***”), then the Debtors may (subject to complying with the Budget Covenants) in any subsequent week transfer cash proceeds to the Professional Fees Account up to 115% of the weekly amount included for such professionals in the Approved Budget (less the professional’s fee estimate for such week) to be applied to the prior Overage. The Professional Fees Account shall be held in trust and used solely to satisfy Allowed Professional Fees, subject to the terms herein. On the Carve-Out Trigger Notice Date, the Debtors shall utilize all cash on hand, including funds in the Professional Fees Account, and any available cash thereafter held by any Debtor, to fund a reserve in an amount equal to the Carve-Out Cap, which shall be earmarked and held in trust to pay the beneficiaries of the Carve-Out (the “***Carve-Out Reserve***”). All funds in the Carve-Out Reserve shall be used first to pay the obligations clauses (i)-(iii) in the above definition of “Carve-Out” until paid in full, second to pay the obligations in clauses (iv)-(v) in the above definition of “Carve-Out” until paid in full, third, to pay the DIP Lenders until paid in full, and fourth, to pay the Prepetition Secured Parties until paid in full.

(c) *Payment of Carve-Out on or After the Carve-Out Trigger Notice Date.* Any payment or reimbursement made on or after the occurrence of the Carve-Out Trigger Notice Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out Cap on a dollar-for-dollar basis.

(d) The amounts in the Carve-Out Reserve shall be available only to satisfy Allowed Professional Fees and other amounts included in the Carve-Out until such amounts are paid in full. Notwithstanding anything to the contrary herein, the failure of the Carve-Out Reserve to satisfy in full the amount set forth in the Carve-Out shall not affect the priority of the Carve-Out.

(e) None of the Prepetition Secured Parties or the DIP Secured Parties shall be responsible for funding the Professional Fees Account or the Carve-Out Reserve or be responsible for the payment or reimbursement of any fees or disbursements of any Estate Professional incurred in connection with the Chapter 11 Cases or any Successor Cases.

(f) Nothing herein shall be construed to (i) impair the ability of any party to object to any of the fees, expenses, reimbursement, or compensation of any professionals or (ii) alter any requirement that an Estate Professional file and serve fee applications or otherwise comply with the Bankruptcy Code, Bankruptcy Rules, Local Rules, or Complex Case Procedures relating to payment of fees and reimbursement of expenses of Estate Professionals, or with any interim compensation order or retention order entered by this Court.

(g) For the avoidance of doubt, notwithstanding anything to the contrary in this Interim Order, the Carve-Out shall be senior to all liens, security interests, and superpriority claims granted hereunder, under the DIP Documents, or the Prepetition Loan Documents.

7. **No Obligation to Extend Credit.** The DIP Secured Parties have no obligation to make any commitment, loan, or advance to any Debtor, other than subject to the terms and in accordance with the terms of the applicable DIP Documents and this Interim Order.

8. **Amendment of the DIP Documents.** Each of the DIP Documents may from time to time be amended, modified, or supplemented by the applicable parties thereto without further order of the Court if the amendment, modification, or supplement is non-material and in accordance with the DIP Documents. In the case of a material amendment, modification, or supplement to the DIP Documents made by the parties thereto that is adverse to the Debtors' estates, the Debtors shall provide notice (which shall be provided through electronic mail) to counsel to any Creditors' Committee, the U.S. Trustee, the DIP Agent, the DIP Secured Parties and

the Prepetition Secured Parties (collectively, the “*Notice Parties*”), each of whom shall have five (5) business days from the date of such notice (the “*Amendment Notice Period*”) to object in writing to such amendment, modification, or supplement, it being understood that waivers for the benefit of the Debtors and extensions of any Milestones (as defined below) and similar deadlines will not be considered “material” for purposes hereof, and may become immediately effective. If no objection from a Notice Party to the amendment, modification, or supplement is timely received during the Amendment Notice Period (or if all Notice Parties otherwise acknowledge that they have no objection to such amendment, modification, or supplement before the expiration of the Amendment Notice Period), then the Debtors may proceed to immediately execute the amendment, modification, or supplement. If a Notice Party timely objects to such amendment, modification, or supplement, and such objection is not subsequently consensually resolved, then approval of the Court (which may be sought on an expedited basis) will be necessary to effectuate the amendment, modification, or supplement. Any material amendment, modification, or supplement that becomes effective in accordance with this paragraph 8 shall be filed with the Court.

9. **DIP Superpriority Claims.** Subject and subordinate to the Carve-Out, effective as of entry of this Interim Order, pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims of the DIP Agent for the benefit of the DIP Secured Parties against the Debtors on a joint and several basis (without the need to file any proof of claim or request for allowance or payment of administrative expenses) with priority as set forth in **Exhibit 2** and otherwise over any and all claims against each of the Debtors, now existing or hereafter arising, of any kind whatsoever, including all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and

all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, or otherwise, which allowed claims (the “***DIP Superpriority Claims***”) shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) and 507(a)(2) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof in accordance with the DIP Documents and this Interim Order (excluding Avoidance Actions but, subject to entry of the Final Order, including Avoidance Proceeds), and subject only to the liens on such property and the Carve-Out as set forth in this Interim Order and the DIP Documents.

10. **DIP Liens.**

(a) As security for the DIP Obligations, effective and automatically perfected as of the date of this Interim Order, and subject and subordinate to the Carve-Out, as set forth more fully in this Interim Order, the DIP Agent, for the benefit of the DIP Secured Parties, is hereby granted (without the necessity of the execution, recordation, or filing by the Debtors or the DIP Agent of mortgages, security agreements (including intellectual property security agreements), lockbox or control agreements, pledge agreements, financing statements, or any other instruments and without the necessity of possession or control by the DIP Secured Parties), valid, binding, enforceable, non-avoidable, and automatically and properly perfected liens and security interests (the “***DIP Liens***”) in all property consisting of DIP Collateral (as defined below), as collateral security for the prompt and complete performance and payment when due (whether at

(iv) **DIP Collateral.** The term “***DIP Collateral***” means the Debtors’ interest in all assets and properties (whether tangible, intangible, real, personal or mixed),

12. **Termination of DIP Facility and Use of Cash Collateral.**

(a) Except for payment of the Carve-Out as provided in this Interim Order, the DIP Secured Parties may enforce all of their rights under the applicable DIP Documents (subject

to this paragraph 12) without further order of, or application to, the Court upon the occurrence of an Event of Default on which written notice of the occurrence of such an Event of Default is given by the DIP Agent (upon instruction from the Required DIP Lenders) to counsel to the Debtors, the U.S. Trustee, and counsel to any Creditors' Committee appointed in the Chapter 11 Cases (the "**Default Notice**") and filed on the docket of the Chapter 11 Cases, but not before the expiration of five (5) business days after the delivery and filing of such Default Notice in accordance with the foregoing (such period, being the "**Remedies Notice Period**"), unless such occurrence and continuation of an Event of Default is cured before the expiration of the Remedies Notice Period.

(b) During the Remedies Notice Period, the Debtors (x) may use Cash Collateral in accordance with the Approved Budget to pay payroll obligations (other than severance), sales tax, and other necessary expenses that are agreed between the Debtors and the DIP Agent (acting at the direction of the Required DIP Lenders) in writing (email being sufficient); (y) are prohibited from requesting any further advances under the DIP Facility; and (z) may cure any Event of Default. During the Remedies Notice Period, the Debtors, any Creditors' Committee, and any party in interest shall be entitled to seek an emergency hearing with the Court during the Remedies Notice Period for the purpose of (i) contesting whether, in fact, an Event of Default has occurred and is continuing or (ii) obtaining non-consensual use of Cash Collateral; *provided*, that if such hearing cannot be held before the expiration of the Remedies Notice Period, then the Remedies Notice Period shall be automatically extended through the conclusion of such hearing but in no event later than ten (10) business days after delivery of the Default Notice unless ordered otherwise by the Court; *provided, further*, that nothing herein shall alter the evidentiary burden with respect

to any termination of the automatic stay or limit the range of remedies that the Court may order upon default.

(c) Upon expiration of the Remedies Notice Period and following a Stay Relief Hearing, the DIP Agent, on behalf of and acting at the direction of the Required DIP Lenders shall, subject to the Carve-Out, be permitted to exercise all remedies set forth herein, in the DIP Documents, and the Prepetition Credit Documents, as applicable, and as otherwise available at law without further order or application or motion to the Court, including: (i) declaring the termination, reduction, or restriction of any further DIP Commitment to the extent any such DIP Commitment remains, (ii) declaring all DIP Obligations to be immediately due, owing, and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Debtors, notwithstanding anything herein or in any DIP Document to the contrary, (iii) declaring the termination of the applicable DIP Documents as to any future liability or obligation of the DIP Secured Parties (but, for the avoidance of doubt, without affecting any of the DIP Liens or the DIP Obligations), and (iv) declaring the termination, reduction, or restriction on the ability of the Debtors to use Cash Collateral (any such declaration of the foregoing (i) through (iv) provided in writing by the DIP Agent (upon instruction from the Required DIP Lenders) to counsel to the Debtors, the U.S. Trustee, and counsel to any Creditors' Committee appointed in the Chapter 11 Cases, a "***Termination Declaration***" and the date of such Termination Declaration, the "***Termination Declaration Date***"). On and after the Termination Declaration Date and other than as required by paragraph 6 with respect to the Carve-Out: (A) the Debtors shall be prohibited from requesting any further draws of DIP Loans under the DIP Facility; (B) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the DIP Facility will terminate, and all treasury and cash management, hedging obligations, and bank product

obligations shall be cash collateralized; (C) all authority to use Cash Collateral shall cease; and (D) upon satisfaction of the Carve-Out funding obligations set forth in paragraph 6, the DIP Secured Parties shall be entitled to exercise rights and remedies under the DIP Documents in accordance with this Interim Order.

(d) Prior to exercising any remedies, the DIP Agent shall be required to file a motion with the Court seeking emergency relief (the “***Stay Relief Motion***”) on no less than five (5) business days’ written notice, which notice period may be concurrent with the Remedies Notice Period, to (i) the Court, (ii) counsel for the Debtor, (iii) counsel for the Creditors’ Committee (if any), and (iv) the U.S. Trustee for a further order of the Court modifying the automatic stay in the Chapter 11 Cases to permit the DIP Agent on behalf of and acting at the direction of the Required DIP Lenders, to exercise the rights and remedies against the Prepetition Collateral or DIP Collateral, including foreclosing upon and selling all or a portion of such collateral. Upon the Court’s ruling at the Stay Relief Motion, the Court may fashion an appropriate remedy upon a determination that a uncured Event of Default exists beyond any remedies period, including, that the DIP Agent shall be entitled to exercise all rights and remedies with respect to the Prepetition Collateral or DIP Collateral provided for in this Interim Order, as permitted by the Court.

13. **Proceeds of Subsequent Financing.** If the Debtors’, their estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed in any of the Chapter 11 Cases or any Successor Cases shall obtain credit or incur debt pursuant to sections 364(b), (c), or (d) of the Bankruptcy Code in violation of this Interim Order or the DIP Documents (such credit or debt, the “***Subsequent Financing***”) at any time before the repayment in full in cash of all of the DIP Obligations, the satisfaction of the DIP Superpriority Claims and the Adequate Protection Claims, and the termination of the DIP Lenders’ commitments to extend

credit under the DIP Facility and this Interim Order, then all cash proceeds up to the amount of the DIP Obligations derived from such Subsequent Financing shall immediately be turned over to the DIP Agent to be applied to the DIP Obligations pursuant to the DIP Documents and in the priorities set forth herein. For the avoidance of doubt, none of the Prepetition Secured Parties or DIP Secured Parties consent to the priming of the Prepetition Liens or the DIP Liens resulting from any Subsequent Financing.

14. **Credit Bidding.** The Prepetition Secured Parties and the DIP Secured Parties shall, subject to the rights preserved in paragraph 30, the DIP Documents, the Prepetition Credit Documents, and the priority of liens and claims set forth herein, be authorized to credit bid, consistent with the applicable DIP Documents and Prepetition Credit Documents, up to the full amount of the outstanding Prepetition Secured Obligations and DIP Obligations, as applicable, in any sale or disposition of Prepetition Collateral or DIP Collateral (each, a “***Credit Bid***”) pursuant to section 363(k) of the Bankruptcy Code, subject to the provision of cash consideration sufficient to satisfy the Carve-Out and any senior liens on the collateral that is subject to the Credit Bid except to the extent otherwise agreed by the holder of such senior lien in their sole and absolute discretion. Subject to and effective only upon entry of the Final Order (but retroactive to the Petition Date), in no event shall the Prepetition Secured Parties and DIP Secured Parties’ Credit Bid rights be limited “for cause” pursuant to section 363(k) of the Bankruptcy Code. The Prepetition Secured Parties and DIP Secured Parties shall each be deemed a “qualified bidder” with respect to their rights to acquire all or any of the Prepetition Collateral and DIP Collateral by Credit Bid.

15. **Surcharging Collateral.** Subject to and effective only upon entry of a Final Order providing for such relief (but retroactive to the Petition Date), without limiting the scope of the

Carve-Out, no costs or expenses of administration of these Chapter 11 Cases or any Successor Cases or future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral or the Prepetition Collateral (including Cash Collateral), the DIP Secured Parties, or the Prepetition Secured Parties pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the requisite DIP Secured Parties and the requisite Prepetition Secured Parties, as applicable, and no consent shall be implied from any other action, inaction, or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, as applicable, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Secured Parties or the Prepetition Secured Parties to any charge, lien, assessment, or claims against the DIP Collateral or the Prepetition Collateral under section 506(c) of the Bankruptcy Code or otherwise.

16. **Section 552(b) of the Bankruptcy Code.** The DIP Secured Parties and Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code. Subject to and effective only upon entry of a Final Order providing for such relief (but retroactive to the Petition Date), in no event shall the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to the Prepetition Secured Parties with respect to proceeds, products, offspring, or profits of any Prepetition Collateral.

17. **Marshaling.** Upon entry of this Interim Order, the DIP Secured Parties will not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral. Subject to and effective only upon entry of a Final Order providing for such relief (but retroactive to the Petition Date), none of the Prepetition Secured Parties shall be subject

to the equitable doctrine of “marshaling” or any similar doctrine with respect to the Prepetition Secured Obligations or the Prepetition Collateral.

18. **Maintenance of DIP Collateral.** The Debtors shall take all steps necessary to preserve and maintain the value of the DIP Collateral, including: (a) insuring the DIP Collateral as required under the DIP Facility or the Prepetition Credit Documents, as applicable; and (b) maintaining the cash management system which has been reasonably agreed to by the requisite DIP Secured Parties (subject to any applicable order of the Court) consistent with their fiduciary duties. To the fullest extent provided by applicable law, the DIP Agent (on behalf of the applicable DIP Secured Parties) shall be, and shall be deemed to be, without any further action or notice, named as additional insureds and lender’s loss payees on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

19. **Ongoing Information Obligation.**

(a) **Ongoing Updates.** The Debtors shall promptly (and in each case not less than on a weekly basis) provide Ropes & Gray LLP as counsel to the Backstop Parties with updates on (i) the Approved Budget and any other reports or information delivered by the Debtors, (ii) the financial operations and performance of the Debtors’ business, (iii) progress in achieving the Milestones, and any winddown, liquidation, or going concern sale or marketing process or efforts, (iv) the status of the Chapter 11 Cases generally, and (v) such other matters relating to the Debtors as the DIP Secured Parties (or their respective agents or advisors) shall reasonably request.

(b) **Access to Books and Records.** The Debtors shall provide to the DIP Agent and the Prepetition Agent (and, in each case, their respective consultants, advisors, and professionals) reasonable access to the Debtors’ books and records, assets, and properties, for purposes of

monitoring the Debtors' businesses, evaluating compliance with the budget, and monitoring the value of the DIP Collateral during normal business hours.

(c) Financial Reporting. The Debtors shall provide periodic financial reporting to the DIP Agent and the Prepetition Agent, consistent with the Debtors' financial reporting obligations under the Prepetition Credit Agreement as in effect prior to the Petition Date.

20. **Adequate Protection of Prepetition Secured Parties**. Subject and subordinate in all respects to the Carve-Out, the Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1), and 507 of the Bankruptcy Code, to adequate protection of their interests in all DIP Collateral, including Cash Collateral, against any Diminution in Value of their interests in the Prepetition Collateral, and the Prepetition Secured Parties are hereby granted the following, in each case subject and subordinate in all respects to the Carve-Out (collectively, the "***Adequate Protection Obligations***"):

(a) **Adequate Protection Liens**. The Prepetition Agent, for the benefit of the Prepetition Secured Parties, is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, control agreements, pledge agreements, financing statements, or other agreements) a valid, perfected security interest in and lien on all of the DIP Collateral, in each case subject and subordinate only to (i) the Carve-Out, (ii) the Permitted Prior Liens, and (iii) the DIP Liens (the "***Adequate Protection Liens***"). The relative priority of the Adequate Protection Liens shall be as set forth in **Exhibit 2** attached hereto. Other than as set forth herein, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore granted in the Chapter 11 Cases or any Successor Case. The Adequate Protection Liens shall be valid and enforceable against any trustee or estate representative appointed in the Chapter 11 Cases or any

Successor Case, upon the conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code (or in any other Successor Case), or upon the dismissal of any of the Chapter 11 Cases or any Successor Case.

(b) **507(b) Claims.** The Prepetition Agent, for the benefit of the Prepetition Secured Parties, is hereby granted an allowed superpriority administrative expense claim against the estates of each Debtor (other than RunItOneTime HoldCo, Inc.) pursuant to section 507(b) of the Bankruptcy Code with priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the “**507(b) Claims**”), which 507(b) Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof. The 507(b) Claims shall be subject and subordinate only to the DIP Superpriority Claims granted in respect of the DIP Obligations and the Carve-Out. Except to the extent expressly set forth in this Interim Order or the DIP Documents, as applicable, the Prepetition Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the 507(b) Claims unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority senior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been paid in cash in full, and all DIP Commitments have been terminated.

(c) **Adequate Protection Fees and Expenses.** The Debtors (other than RunItOneTime HoldCo, Inc.) shall, as adequate protection, pay for the benefit of the Prepetition Secured Parties, any reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the Prepetition Secured Parties, including the reasonable and documented fees and out-of-pocket expenses of (A) Ropes & Gray, LLP, (B) Orrick, Herrington & Sutcliffe LLP, (D) one Nevada and Colorado gaming counsel to the Prepetition Secured Parties,

(E) Porter Hedges LLP, (F) Norton Rose Fulbright US LLP (in its capacity as counsel for the Prepetition Agent and DIP Agent), and (G) any other advisors retained by the requisite DIP Lenders with the consent (not to be unreasonably withheld) of the Debtors (the “***Adequate Protection Fees and Expenses***”), which Adequate Protection Fees and Expenses shall be allowed under section 507(b) of the Bankruptcy Code. Reimbursement of the Adequate Protection Fees and Expenses shall be subject to the review procedure set forth in paragraph 27 of this Interim Order.

(d) The adequate protection herein is without prejudice to the Prepetition Agent, acting at the express written direction of the requisite Prepetition Secured Parties, to request further or different adequate protection and the Debtors or any other party in interest may contest any such request.

21. **Perfection of DIP Liens and Adequate Protection Liens.**

(a) The DIP Secured Parties and the Prepetition Secured Parties are hereby authorized, but not required, to file, record, or enter into (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments in any jurisdiction, or take possession of or control over cash or securities or other property, or take any other action to validate and perfect the liens and security interests granted to them hereunder. All such financing statements, trademark filings, copyright filings, mortgages, notices of lien, or similar instruments shall be deemed to have been filed or recorded at the time of and on the Petition Date. Regardless of whether the DIP Agent (on behalf of the applicable DIP Secured Parties) or the Prepetition Agent (on behalf of the applicable Prepetition Secured Parties) shall, in their respective sole discretion, choose to file, record, or enter into such financing

statements, intellectual property filings, mortgages, notices of lien, or similar instruments, or take possession of or control over any cash or securities or other property, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute, or subordination (subject to the priorities set forth in this Interim Order). Upon the request of the DIP Agent or the Prepetition Agent, as applicable, each of the Prepetition Secured Parties and the Debtors, without any further consent of any party, is authorized, but not directed, to take, execute, deliver, and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent or the Prepetition Agent to further validate, perfect, preserve, and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively. The Adequate Protection Liens shall be valid and enforceable against any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, upon the conversion of any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code (or in any other Successor Cases), or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The Adequate Protection Liens shall not be subject to sections 506(c) (subject to entry of a Final Order providing for such relief), 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of any Debtor's estate pursuant to section 551 of the Bankruptcy Code shall be made *pari passu* with or senior to the Adequate Protection Liens.

(b) A certified copy of this Interim Order may, in the discretion of either the DIP Agent or the Prepetition Agent, as applicable, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments, and all filing offices are hereby instructed to accept such certified copy of this Interim Order for filing or recording, as applicable.

(c) To the extent that any Prepetition Secured Party is the secured party under any account control agreements, listed as loss payee or additional insured under any of the Debtors' insurance policies or is the secured party under any other agreement, the beneficiary of a landlord waiver or other collateral access agreement or party to a credit card notification, the DIP Agent, on behalf of the DIP Secured Parties, is also deemed to be the secured party under such account control agreements or loss payee or additional insured under the Debtors' insurance policies and the secured party under each such agreement (in any such case with the same priority of liens and claims thereunder relative to the priority of (i) the Prepetition Liens and Adequate Protection Liens and (ii) the DIP Liens, as set forth herein), and shall (A) have all rights and powers in each case attendant to that position (including rights of enforcement, but subject in all respects to the terms of this Interim Order), and (B) subject to the terms of this Interim Order, act in that capacity and distribute any proceeds recovered or received in respect of any of the foregoing to the payment in full of the DIP Obligations.

22. **Milestones.** The Debtors shall comply with the milestones set forth in the DIP Documents and attached hereto as **Exhibit 4** (the "***Milestones***"), in each case as may be modified or extended in accordance with the terms thereof. The failure of the Debtors to comply with any of the Milestones shall (a) constitute an Event of Default under the DIP Documents and this Interim Order; (b) subject to the expiration of the Remedies Notice Period (as defined below) and without limiting the effect of the other provisions of paragraph 12 of this Interim Order, result in the automatic termination of the Debtors' ability to use Cash Collateral under this Interim Order; and

(c) permit the DIP Agent, subject to paragraph 29, to exercise the rights and remedies provided for in this Interim Order and the DIP Documents.

23. **Prepetition Secured Party Standstill**

(a) If the DIP Obligations are outstanding or the DIP Lenders have any DIP Commitments under the DIP Documents, then the Prepetition Secured Parties shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Credit Documents or this Interim Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Collateral, including in connection with the Prepetition Liens or the Adequate Protection Liens; (ii) not take any action in opposition to any transfer, disposition, or sale of, or release of liens on, such DIP Collateral (but not any proceeds of such transfer, disposition, or sale to the extent remaining after payment in cash in full of the DIP Obligations and termination of the DIP Commitments), to the extent such transfer, disposition, sale, or release is authorized under the DIP Documents; (iii) not file any new financing statements, trademark filings, copyright filings, mortgages, notices of lien, or similar instruments, or otherwise take any action to perfect their security interests in such DIP Collateral unless, solely as to this clause (iii), the DIP Secured Parties file financing statements or other documents to perfect the liens granted pursuant to this Interim Order, or as may be required by applicable law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date or to reflect the succession of the Prepetition Agent, and (iv) at the request of the DIP Agent, deliver or cause to be delivered, at the Debtors' reasonable cost and expense, any termination statements, releases, or assignments in favor of the DIP Secured Parties or other documents reasonably necessary to effectuate or evidence the release, termination, or assignment of liens on any portion

of such DIP Collateral subject to any transfer, sale, or disposition permitted by the DIP Documents and this Interim Order.

(b) If any Prepetition Secured Party has possession of any DIP Collateral or has control with respect to any DIP Collateral (including deposit accounts), or has been noted as a secured party on any certificate of title for a titled good constituting DIP Collateral, then such Prepetition Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee or gratuitous sub-collateral agent solely for perfection for the benefit of the DIP Secured Parties, and it shall comply with the instructions of the DIP Agent with respect to the exercise of such control. The Prepetition Agent is not and shall not be deemed to be a fiduciary of any kind for the DIP Secured Parties, and the DIP Secured Parties hereby waive and release the Prepetition Agent from all claims and liabilities arising pursuant to any Prepetition Agent's role under this paragraph 23(b) as gratuitous sub-collateral bailee and agent with respect to the DIP Collateral.

24. Any proceeds of DIP Collateral received by any Prepetition Secured Party in connection with the exercise of any right or remedy relating to the DIP Collateral or otherwise received by any Prepetition Secured Party shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Agent for the benefit of the applicable DIP Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The DIP Agent is hereby authorized to make any such endorsements as agent for any such Prepetition Secured Party.

25. **Preservation of Rights Granted under Interim Order.**

(a) Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or converting any other Chapter 11 Cases to

cases under chapter 7 of the Bankruptcy Code: (i) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order until all DIP Obligations and Adequate Protection Obligations shall have been paid in full in cash (and such DIP Superpriority Claims, 507(b) Claims, DIP Liens, and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest), (ii) the other rights granted by this Interim Order shall not be affected, and (iii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens, and security interests referred to in this paragraph and otherwise in this Interim Order.

(b) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed, then such reversal, modification, vacatur, or stay shall not affect: (i) the validity, priority, or enforceability of the DIP Obligations or Adequate Protection Obligations incurred before the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay or (ii) the validity, priority or enforceability of the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, the DIP Obligations, the Adequate Protection Liens, the Adequate Protection Obligations, the Prepetition Liens, or the Prepetition Secured Obligations. Notwithstanding any such reversal, modification, vacatur, or stay of any use of DIP Collateral (including any Cash Collateral), any DIP Superpriority Claims, 507(b) Claims, DIP Obligations, DIP Liens, Adequate Protection Obligations, or Adequate Protection Liens incurred by the Debtors to the DIP Secured Parties or the Prepetition Secured Parties, as the case may be, before the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacation, or stay shall be governed in all respects by the original provisions of this

Interim Order, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to all rights, remedies, privileges, and benefits granted to parties acting in “good faith” under section 364(e) of the Bankruptcy Code, this Interim Order, and the DIP Documents with respect to all uses of Cash Collateral, the DIP Obligations, the DIP Superpriority Claims, and the Adequate Protection Obligations.

26. **Limitation on Use of DIP Facility Proceeds and Collateral.** No DIP Loans, DIP Collateral, Cash Collateral, or any portion of the Carve-Out, may be used directly or indirectly by any Debtor, any statutory or non-statutory committee (including any Creditors’ Committee), or any trustee appointed in the Chapter 11 Cases or any Successor Case, including any chapter 7 case, or any other person, party, or entity (a) in connection with the investigation, initiation, or prosecution of any claims, causes of action, adversary proceedings, or other litigation (i) against any of the DIP Secured Parties or the Prepetition Secured Parties, or their respective predecessors in interest, officers, directors, employees, agents, affiliates, representatives, attorneys, or advisors, or any action purporting to do the foregoing in respect of the Prepetition Secured Obligations, the Prepetition Liens, the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Obligations, or the 507(b) Claims granted to the Prepetition Secured Parties under this Interim Order, or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to, the Prepetition Secured Obligations, the DIP Obligations, the DIP Superpriority Claims, the Adequate Protection Obligations, or the 507(b) Claims or the liens, claims, rights, or security interests granted under this Interim Order, the DIP Documents, or the Prepetition Credit Documents including, in each case for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law, or otherwise;

(b) except as expressly permitted by paragraph 12 of this Interim Order, to prevent, hinder, or otherwise delay the Prepetition Secured Parties' or the DIP Secured Parties', as applicable, enforcement or realization on the Prepetition Secured Obligations, DIP Obligations, DIP Superpriority Claims, Adequate Protection Obligations, 507(b) Claims, DIP Collateral, and the liens, claims, and rights granted to such parties under this Interim Order, each in accordance with the DIP Documents, the Prepetition Credit Documents, or this Interim Order; (c) to seek to modify any of the rights and remedies granted to the Prepetition Secured Parties or the DIP Secured Parties under this Interim Order, the Prepetition Credit Documents, or the DIP Documents, as applicable, other than in accordance with the DIP Documents; (d) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or *pari passu* with, the DIP Liens, DIP Obligations, DIP Superpriority Claims, Adequate Protection Liens, the Adequate Protection Obligations, and 507(b) Claims, unless all DIP Obligations, Prepetition Secured Obligations, Adequate Protection Obligations, and claims granted to the DIP Secured Parties or Prepetition Secured Parties under this Interim Order, have been paid in full in cash or as otherwise agreed to in writing by the requisite DIP Secured Parties and the requisite Prepetition Secured Parties, (e) to seek to pay any amount on account of any claims arising before the Petition Date unless such payments are agreed to in writing by the requisite DIP Secured Parties and the requisite Prepetition Secured Parties or are otherwise included in the Approved Budget, or (f) for any purpose specified in the "DIP Facility; Use of Proceeds" section(s) of the DIP Documents; *provided*, that any Creditors' Committee may use the proceeds of the DIP Loans, DIP Collateral, and Cash Collateral, in an amount not to exceed \$50,000 (the "***Investigation Budget Cap***") only to investigate, but not litigate, (y) the claims and liens of the Prepetition Secured Parties, and

(z) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties.

27. **Payment of Fees and Expenses.** After the Petition Date, the DIP Fees and Expenses and the Adequate Protection Fees and Expenses shall be subject to the review procedures set forth in this paragraph 27 without the need for filing an application seeking compensation for services or reimbursement of expenses with the Court. Professionals for the DIP Secured Parties and Prepetition Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines, but shall (subject to the proviso at the end of this sentence) be required to provide to the Notice Parties invoices for such fees and expenses in summary fashion, which shall include a general, brief description of the nature of the matters for which services were performed, a list of the professionals who worked on such matters, and the number of hours each professional billed; *provided, however*, that notwithstanding the foregoing, the DIP Fees and Expenses incurred prior to, and which remain unpaid as of, the Closing Date (as defined in the DIP Documents) shall be paid indefeasibly by the Debtors upon the occurrence of the Closing Date without the DIP Secured Parties being required to deliver an invoice in summary form as set forth in this paragraph 27. Any Notice Party may object to such fees and expenses for which summary invoices are required to be delivered to the Notice Parties in accordance with the preceding sentence and any such objection must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) business days of receipt of such invoice (the “***Review Period***”). If no written objection is received by 5:00 p.m. (prevailing Central Time) on the last date of the Review Period or otherwise resolved by the applicable parties, the Debtors shall pay such invoices within five (5) business days after conclusion of the Review Period. If an objection to a professional’s invoice is received within the Review Period, then the Debtors shall promptly

pay the undisputed amount of the invoice, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. All DIP Fees and Expenses and Adequate Protection Fees and Expenses paid in accordance with the terms of this Interim Order by any of the Debtors are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement, or any similar form of recovery by the Debtors or any other person.

28. **Limits to Lender Liability.** Nothing in this Interim Order, the DIP Documents, the Prepetition Credit Documents, or any other documents related to these transactions shall in any way be construed or interpreted to impose upon the DIP Secured Parties or any Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their business or in connection with their restructuring efforts. So long as the DIP Secured Parties comply with their obligations under the DIP Documents and their obligations, if any, under applicable law (including the Bankruptcy Code), (a) the DIP Secured Parties shall not in any way or manner be liable or responsible for (i) the safekeeping or monitoring of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person, and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne by the Debtors.

29. **Gaming Laws.** Notwithstanding anything in this Interim Order to the contrary, the DIP Secured Parties and Prepetition Secured Parties agree as follows with respect to the DIP Liens, DIP Collateral, and Adequate Protection Liens: (a) if any exercise of remedies pursuant to this Interim Order would result in possession by the DIP Agent or the Prepetition Agent of or against “personal property gaming collateral” (as defined in Nevada Gaming Code Reg. 8A.010(4)) or

“gaming device” or “gaming equipment” (as defined in Colorado Revised Statutes § 44-30-103(13)), then such property will be (i) held in trust for the benefit of the DIP Lenders or the Prepetition Lenders (as applicable) pending the receipt of regulatory approvals under applicable Gaming Laws and (ii) upon receipt of such approvals will immediately vest in the DIP Lenders or Prepetition Lenders (as applicable) automatically under this Interim Order without further action; and (b) the Debtors shall maintain minimum cage cash and petty cash in accordance with the requirements of applicable Gaming Laws, subject to periodic deposit requirements as required by the DIP Documents.

30. **Effect of Stipulations on Third Parties.** The Debtors’ stipulations and releases contained in paragraph F of this Interim Order (the “***Debtors’ Stipulations and Releases***”) shall be binding on the Debtors and all of the Debtors’ successor in interest and assigns (including any chapter 7 or chapter 11 trustee or examiner appointed or other representative elected for any of the Debtors in these Chapter 11 Cases or any Successor Case) for all purposes upon entry of the Interim Order. The Debtors’ Stipulations and Releases shall also be binding on all creditors and other parties in interests and all of their respective successors and assigns, including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, and any other person acting or seeking to act on behalf of the Debtors’ estates, in all circumstances and for all purposes unless:

(a) such committee or any other person or entity with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity’s right or ability to do so), has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph) by the earlier of: (i) if a Creditors’ Committee has been appointed, then by the Creditors’ Committee within 60 calendar days after appointment of the Creditors’ Committee and (ii) with respect to any other party in

interest with requisite standing (other than the Debtors), within 60 calendar days after entry of the Interim Order (the time period established by the foregoing clauses (i) and (ii), as may be extended in the sole discretion of the requisite Prepetition Secured Parties, the “**Challenge Period**”); *provided, however*, that if, before the end of the Challenge Period, (x) the cases convert to a chapter 7, or (y) a chapter 11 trustee is appointed, then, in each such case, the Challenge Period shall be extended for a period of 60 days solely with respect to any such chapter 7 or chapter 11 trustee; *provided further* that the Challenge Period may be extended without further order of the Court upon the agreement of a Creditors’ Committee or other applicable third party and the DIP Lenders): (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Secured Obligations or the Prepetition Liens or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “**Challenges**”) against any of the Prepetition Secured Parties or their respective affiliates and subsidiaries and each of their respective former, current, or future officers, partners, directors, managers, members, principals, employees, agents, related funds, affiliates, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals and the respective successors and assigns thereof, in each case solely in their respective capacity as such (each a “**Representative**” and collectively, the “**Representatives**”) in connection with the Prepetition Credit Documents, the Prepetition Secured Obligations, the Prepetition Liens, and the Prepetition Collateral; and

(b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; *provided, however*, that any pleadings filed in connection with any Challenge shall set forth with specificity

the basis for such challenge or claim and any challenges or claims not so specified before the expiration of the Challenge Period shall be deemed forever, waived, released and barred.

31. If no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff with respect to the Challenge then: (a) the Debtors' Stipulations and Releases shall be binding on all parties in interest; (b) the obligations of the Debtors under the Prepetition Credit Agreements, including the Prepetition Secured Obligations, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 cases; (c) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance or other defense and (d) the Prepetition Secured Obligations and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by any statutory or non-statutory committee, any other party in interest, or any successor thereto (including any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defenses, claims, causes of action, counterclaims and offsets by any statutory or non-statutory committee, any other party in interest, or any successor thereto (including any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Credit Documents shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, then the Debtors' Stipulations and Releases contained in paragraph F shall nonetheless remain binding and preclusive on any statutory or non-statutory committee, and on any other person or entity, except to the extent that such stipulations,

admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Interim Order vests or confers on any person standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including Challenges with respect to the Prepetition Credit Documents, the Prepetition Secured Obligations or the Prepetition Liens. Any motion seeking standing (which ruling on standing, if appealed, shall not stay or delay the Chapter 11 Cases or confirmation of any chapter 11 plan) shall attach a draft complaint or other pleading that sets forth such Challenge, and any Challenge not included therein shall be deemed forever waived, released, and barred. None of the foregoing challenge provisions set forth in this paragraph shall apply to any DIP Secured Party, in their capacities as such, and in no event shall the DIP Facility, DIP Obligations, DIP Superpriority Claims, or DIP Liens be subject to challenge pursuant to this paragraph on avoidance or any other grounds by any party.

32. **Joint and Several Liability.** Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that each of the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Facility and the DIP Documents.

33. **Interim Order Governs.** In the event of any inconsistency between the provisions of this Interim Order, the DIP Documents, or any other order entered by this Court, the provisions of this Interim Order shall govern.

34. **Proof of Claim.** None of the Prepetition Secured Parties or DIP Secured Parties shall be required to file proofs of claim or requests for administrative expenses in any of the Chapter 11 Cases or Successor Cases to assert claims for payment of the Prepetition Secured

Obligations arising under the Prepetition Credit Documents or the DIP Obligations arising under the DIP Documents. The statements of claim in respect of the Prepetition Secured Obligations and the DIP Obligations set forth in this Interim Order (including the DIP Documents and the Debtors' Stipulations) are deemed sufficient and do constitute timely filed proofs of claim or requests for administrative expenses in respect of such debt and such secured status against each of the applicable Debtors, and each of the Prepetition Secured Parties and DIP Secured Parties shall be treated under Bankruptcy Code section 502(a) as if it had timely filed a proof of claim or request for administrative expense.

35. **Binding Effect; Successors and Assigns.** Subject only to paragraph 30, the DIP Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including the DIP Secured Parties and the Prepetition Secured Parties, any statutory or non-statutory committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties, and the Debtors and their respective successors and assigns; *provided*, that the DIP Secured Parties and the Prepetition Secured Parties shall have no obligation to permit the use of the DIP Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

36. **Limitation of Liability.** In determining to make any loan, commitment, or other extension of credit under the DIP Documents or to permit the use of Cash Collateral or in

exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Documents, none of the DIP Secured Parties or the Prepetition Secured Parties, each in their capacity as such, by reason of entering into the DIP Facility or the Prepetition Credit Documents and taking any actions permitted under the DIP Documents, the Prepetition Credit Documents or this Interim Order, shall (a) be deemed to be in “control” of the operations or participating in the management of the Debtors, (b) owe any fiduciary duty to the Debtors, any other DIP Secured Party or any other Prepetition Secured Party, their respective creditors, shareholders or estates, or (c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” with respect to the operation or management of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, et seq., as amended, or any similar federal or state statute). Nothing in this paragraph shall impact or limit the rights of any governmental authority. Furthermore, nothing in this Interim Order, the DIP Documents or the Prepetition Credit Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their direct or indirect subsidiaries.

37. **Effectiveness.** This Interim Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable as of the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014, or any Local Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

38. **Headings.** Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

39. **Payments Held in Trust.** Except as expressly permitted in this Interim Order or the DIP Documents, including any amounts funded to the Carve-Out Reserve, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source before payment in full in cash of all DIP Obligations under the DIP Documents and termination of the DIP Commitments in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Secured Parties and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents and this Interim Order. For the avoidance of doubt, this paragraph 39 will not apply to payments made or assets transferred by the Debtors as authorized under the Bankruptcy Code or any order of the Court.

40. **Good Faith.** Each of the DIP Secured Parties and Prepetition Secured Parties have acted in good faith (including for the purposes of sections 363(m) and 364(e) of the Bankruptcy Code) in connection with this Interim Order and their reliance on this Interim Order has been and is in good faith.

41. **Survival.** The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Case; or (d) pursuant to which the Bankruptcy Court abstains from hearing the Chapter 11 Cases

or any Successor Case. The terms and provisions of this Interim Order, including the claims, liens, security interests and other protections granted to the Prepetition Secured Parties and the DIP Secured Parties pursuant to this Interim Order or the Prepetition Credit Documents (other than as modified hereby), notwithstanding the entry of any such order, shall continue in the Chapter 11 Cases, in any Successor Case, or following dismissal of any of the Chapter 11 Cases or any Successor Case, and shall maintain their priority as provided by this Interim Order until all DIP Obligations, all Prepetition Secured Obligations, all Adequate Protection Claims, and any adequate protection payment obligations pursuant to this Interim Order, have been paid in full.

42. **Retention of Jurisdiction.** The Court shall retain exclusive jurisdiction to implement, interpret, and enforce the provisions of this Interim Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

43. **Determination of Requisite Parties.** Any determination as to whether a consent, modification, permission, or amendment required or permitted under this Interim Order has been granted by the “requisite” DIP Secured Parties or the “requisite” Prepetition Secured Parties will be determined by reference to the applicable DIP Documents or Prepetition Credit Agreement.

44. **Bankruptcy Rules.** The requirements of Bankruptcy Rules 4001, 6003, and 6004 and Local Rule 4001, in each case to the extent applicable, are satisfied by the contents of the Motion.

45. **Final Hearing.** The Final Hearing is scheduled for August 6, 2025 at 1:00 p.m. (prevailing Central Time) before this Court. Any party in interest objecting to the relief sought at the Final Hearing shall serve and file a written objection thereto, which shall be served upon the

Notice Parties, the DIP Secured Parties, and the Prepetition Secured Parties, and shall also be filed with the Clerk of the United States Bankruptcy Court for the Southern District of Texas, in each case to allow actual receipt by the foregoing no later than August 4, 2025 at 4:00 p.m. (prevailing Central Time).
